Exam Specifics:

Exam Number	Number of Questions	Time Limit	Passing Grade
RDCR08401	22	44 min.	68

Target Audience:

Candidates for this certification have already attained the Business Objects Certified Professional – Crystal Reports XI certification and wish to update their BOCP-CR credential to the 2008 version of Crystal Reports.

Certification Planning:

The Crystal Reports 2008 Update exam is only for candidates who have already attained the Business Objects Certified Professional – Crystal Reports XI certification. Successful completion of the Crystal Reports 2008 Update exam allows BOCP – CR XI certified candidates to be certified on the 2008 version of Crystal Reports.

Note: If you choose to write the Crystal Reports 2008 Update exam without the BOCP – CR XI certification qualification, you will have done so at your own peril as you will not be refunded the cost of the exam voucher.

Education Offerings to Attain Certification:

It is not mandatory to enroll into any education offerings in order to pass the exam. We however strongly advise candidates pursuing certification to complete the recommended education. Sufficient knowledge to pass the exam requires a combination of education and experience. Education provides the foundation and concepts required to use the product; experience provides the knowledge to apply concepts in a production environment. Knowledge from both education and experience will be tested on the certification exam.
